| 1/30/2015 | 5 | No problems |
| 1/28/2015 | 5 | No problems with the order, delivered as specified. Goggles are comfortable and it is surprisingly nice to be able to see while swimming. It would be nice if they had a more defined top and bottom so you don't have to read the small prescription reading in the eyepiece to get them the right way up if your eyes differ (Unless you leave the labels on). |
| 1/26/2015 | 5 | Incredibly fast communication and delivery, faultless service. |

They called me as they were concerned item would be delivered late as they couldn't dispatch without prescription info. Man who called sounded like a thoroughly nice chap. |

| 12/13/2014 | 5 | Correctly selected lenses based on prescription information. Very fast dispatch. Anti-fogging coating didn't last more than a few swims, but that's easily remedied. |
| 12/13/2014 | 5 | I was a bit dubious about these goggles as I was worried they wouldn't fit me, however the seller was very reassuring on email and I decided to try them. So glad I did, not only do they fit perfectly letting no water in, they are comfortable, and I can see clearly at the poolside, and underwater too. Brilliant! |

| 10/20/2014 | 5 | I've bought these goggles twice now, since I lost my first pair. They provide me with excellent vision under water and are very comfortable. After a few months the strap does begin to get slightly looser, though that is a problem with all goggles. |

| 10/18/2014 | 5 | Excellent service and I had a reply straight away with regards to my prescription. |

| 10/10/2014 | 5 | Very happy with service. Ordered item at 21.40, had an email back the same night (not an auto reply). Another email the next morning advising dispatch and the item arrived the next day. Have been swimming twice since and they work great. Well worth the money. Would recommend to others. | 7/26/2014 | 5 | Great seller. |
| 7/25/2014 | 5 | I bought these following rave reviews and can only add that the service and delivery was outstanding and I would definitely recommend this company. The goggles are good quality and allow you to see properly in the pool which you would not with normal goggles. The different size nose clips are a bonus and even the travel case is superb quality compared to others on the market. Well done! |
| 7/24/2014 | 5 | These are really useful! |
| 7/23/2014 | 5 | EXCELLENT QUALITY GOGGLES TO BE HIGHLY RECOMMENDED |
| 7/21/2014 | 5 | Great service and excellent product this is the third time I have made this purchase for different family members. I even had an email querying the prescription I had supplied as I had missed the negative value from my order. |
| 7/13/2014 | 5 | Prompt delivery. Very pleased with the goggles. I'm short-sighted and usually wear my glasses when swimming with my grandchildren. A friend recommended these goggles and I am looking forward to wearing them when we go on holiday. Obviously I can't see quite as well with the goggles as I can with my glasses as the lens power is slightly different, but they are very good and make things much clearer. Excellent for the price! |
| 7/13/2014 | 5 | These are great. Was contacted about an hour after placing the order re prescription and arrived within 2 days. Even with the prescription lenses these look like normal goggles. Nice quality though had to loosen off slightly but fit my face really well. |

Many |
| 5/28/2014 | 5 | Fantastic quality product |
| 5/25/2014 | 5 | Fantastic product. Now understand why hated swimming lessons as a child - it wasn't necessarily the water but being short sighted the fact was I couldn't see; no wonder I lacked confidence! Having overcome this I absolutely love swimming as an adult but these goggles are still such a bonus. |
| 5/21/2014 | 5 | Very happy with my new goggles. I can see where I'm going in the pool! |
| 5/19/2014 | 5 | Excellent Service, product is above expectations and very good value. Prompt and efficient retailer. No hesitation in recommending this firm |
| 5/11/2014 | 5 | Excellent service. I sent my order on Friday with a note to please have them done as soon as possible as I needed them for a week at center parcs. They arrived on Saturday morning. | 4/28/2014 | 5 | Fantastic, and I have recommended to a friend already. I ordered this believing it was a risk worth taking as I did not have the confidence that they would be able to produce swimming goggles to my exact eye prescription as each eye has a different range. I was suprised at the absolutely perfect job |
| 4/27/2014 | 5 | Super fast service and were extremely helpful when I wasn't sure about the prescription. The goggles themselves work wonderfully, no leaking, comfortable fit and I now can see so I don't bash into people whilst |
| 4/27/2014 | 5 | Easy to order, Quick to arrive. I've found them comfortable it you slant the goggles a little. Was dubious when looking but a gamble that paid off. I would definitely get them again when they need replacing. Thank you x |

| 1/27/2014 | 5 | received e mail from seller within an hour or so saying dispatched and arrived next day. I have used the googles and I haven't even had to adjust the straps - perfect fit first time, they don't fog, they don't allow any water in, they don't leave a painful mark on the bridge of my nose at around 50 lengths (previous prescription googles by others have) and I can see perfectly. Great product and great seller. Thank you. |
